

Hamburg, 16 March 2009

The TapCapCo Group combines the long professional experience of its subsidiaries KAUF-IDEE GmbH and TRi TOP GmbH under the brands **WasserMaxx** and **TRi TOP**.

The TapCap Company AG is focused on the international business of "tap water drinking systems", offering solutions to filter, carbonate and cool tap water as well as adding flavour. As of today, The TapCapCo Group is carrying out the business of sparkling water preparations and concentrates for the preparation of flavoured drinks mainly in the German market with subsidiaries in Italy, France and Sweden.

Our working atmosphere is open-minded, dynamic, creative, international, demanding and fun.

To support our team, we are looking for a:

Referendar/-in (Trainee Lawyer) Wahlstation II

Your role:

You will support the Head of Legal & HR in all legal matters relating to the Legal Department of an international company.

We expect:
